

## **ANDROID™ WIRELESS PRINTING**

### **SETUP**

1. Visit <https://smartalec.smartalecprint.com/smartalec?ID=PerthAmboyNJ> and set up your SmartAlec account.
2. Go to the Play store and download the [SmartALEC @ Your Library] application
3. Open the SmartALEC application and sign in
4. You must accept the Library wireless printing policy
5. Enable the SmartALEC print service. You will be prompted to do this in the SmartALEC application or you may also do this in your settings

### **HOW TO PRINT**

1. Open up document you wish to print and click on the ●●●
2. Select Print
3. Select the SmartALEC printer from the available list of printer options
4. Click the print button
5. Your document is now ready to be printed at any Dearborn Library print kiosk

### **OPTIONS**

Once you have printed your document to SmartALEC, you may open the application to find additional options such as:

- Preview your items sent to the printer
- Delete any documents you have in your print queue

Please keep in mind that documents sent to the SmartALEC printer will be available to be printed from the Perth Amboy Free Public Library printer kiosk for 7 days.
